MEMORANDUM FOR THE RECORD

Morning Meeting of 14 June 1966

25X1 [] of FUMSAC gave a briefing on Soviet planetary and lunar programs since 1960.

R. Jack Smith reported on a meeting of the Latin American Subcommittee of Senator Morse which he had attended yesterday. He noted receipt of a letter from Bob Komer which indicated the latter's favorable reaction to the new format for the Vietnam Weekly report. 25X1

Kent reported on a call from Mrs. Wisner in which she indicated that she was going to give a substantial sum to the Educational Aid Fund.

In response to a question from the DCI, deSilva expressed his opinion that there would be an increasing number of altars on the streets in Saigon over the next few days.

Earman noted receipt of a letter from the Chairman of the Equal Opportunity Office regarding an item which had appeared in the Washington Post recently on the question of whether the Agency used females for espionage work.

Houston noted that a New York Congressman would be giving a speech which was critical of the Agency's position in the Heine vs. Raus case. He reported that Senator Russell had agreed with Darden that the Marvin Kalb report on Peer deSilva's paper was distorted. Lastly, he noted that Senator Fulbright had sought the DCI's views on his proposed resolution for a Congressional Committee on CIA. The DCI gave suggestions as to how his response might be handled.

[]
[] The Executive Director also noted receipt of two letters to the DCI which commended the Agency's support. The first was from the Superintendent of the United States Military Academy, and the second was from Ambassador Kidder of the Interdepartmental Seminar. Lastly, the Executive Director noted that while CIA had been exempted from reporting to the Civil Service Commission on the financial position of supergrades, this matter would be handled internally with the primary responsibility lying with the General Counsel.

The DDCI noted that he had received a letter from U. Alexis Johnson which reported the Department's position on the question of classification of satellite photography.

ACTION

1. The DCI would like to know if Rostow has read the joint DIA - CIA study on the possible effects of bombing Haiphong. (DDI in the course of the day) D O N E
